## MobileMapper CE As Z-Max Field Terminal

### Product concerned

Product Names:

**Z-Max, FAST Survey**

Product Family:

**Survey / GIS**

### 1. PURPOSE

Thales is introducing MobileMapper CE as an alternate field terminal kit for Z-Max.

Thales is still offering the Allegro CX as field terminal kit for Z-Max.

### 2. PRODUCT INFORMATION

#### 2.1. MobileMapper CE Field Terminal kit

This kit includes:

- MobileMapper CE terminal
- FAST Survey licence
- Field Bracket
- Technical note for Bluetooth data link management.

#### 2.2. FAST Survey

THALES Navigation releases FAST Survey version 1.50.032 for MobileMapper CE.

FAST Survey 1.50.032 is available for downloading on [ftp.thalesnavigation.com](ftp://ftp.thalesnavigation.com)

### **3. NEW SHIPMENT**

THALES Navigation will start shipping the MobileMapper CE Field Terminal kit for Z-Max on 15 April 2006.

Orders are accepted starting today.

### **4. IDENTIFICATION**

The new field bracket is identified as:

- Part Number P/N: 800981-08
- Designation: Kit, Z-Max Field Terminal, MobileMapper CE

FAST Survey licence-only identification does not change: 800987

### **5. PRICING**

The MobileMapper CE Field Terminal kit for Z-Max is listed in the new price list.

The new price list is posted on the dealer web site or contact your Regional Sales Manager.

### **6. CUSTOMER NOTIFICATION**

All RSMs will receive this Product Marketing Update for information of their channels / customers.

A technical note recommending the Bluetooth data link management is posted on the ftp site.
