Z-Xtreme

Product End Of Life

Product concerned

Product Names:

Z-Xtreme

Product Family:

Land Survey

1. REASON FOR WITHDRAWAL

Magellan Navigation has stopped production of the Z-Xtreme and therefore announces that the Z-Xtreme is entering the final phase of its life cycle - also known as "End of Life" (EOL).

The End of life (EOL) for a product is the time at which technical support, replacement parts, software, and firmware are no longer available from Magellan Navigation. EOL occurs approximately 3 years after production of the product has been discontinued.

2. SALES

A few units are available for sale on a first come-first serve basis.

3. CUSTOMER NOTIFICATION

This Product Marketing Update will be distributed to all channels such that they can provide suitable notices to their customers.
