ashtech

November 19, 2010

Ashtech has developed a WEB site with an interactive Ashtech WEB Mission Planning tool with GPS and GLONASS satellite features. The Almanac for this program is updated daily. We   ill no longer be placing Almanac files on the FTP site. Users can access the WEB site at:

[Ashtech WEB Mission Planning](http://asp.ashtech.com/wmp/)   http://asp.ashtech.com/wmp/
